

TOTUS TUUS: PROTOCOLS FOR A SAFE AND HEALTHY PROGRAM

ARRIVAL AND DEPARTURE PROTOCOLS

1. Upon arrival each day, each child's temp will be taken by the parish coordinator or volunteer using a no-touch thermometer.
2. Upon arrival each day, parents will be verbally asked to confirm they have observed no symptoms in their child.
3. Parents will not enter the building for arrival or departure. Children can either enter on their own, or be escorted in by 1 adult from the parish to limit the number of people entering/exiting the building.
4. Children sanitize hands upon arrival and at departure.

HYGIENE AND SANITATION

1. Missionaries and parish staff/volunteers frequently and regularly sanitize surfaces.
2. Doors remained propped open to prohibit touching of handles and knobs.
3. Children bring their own water bottles. Drinking fountains should be off limits.
4. Children and staff frequently wash hands throughout the program.
5. Children and staff bring their own masks to wear during times when kids may need to break social distancing space. If possible, parishes should keep extra masks on hand should a child need to use one.
6. Parish should provide hand sanitization stations for use in classrooms. Kids are encouraged to bring their own from home.

FOR MISSIONARIES, PARISH LEADERS, AND VOLUNTEERS

1. All missionaries and staff take daily temperature readings to ensure no fever or other symptoms.
2. All missionaries and staff practice regular hand sanitization.
3. All missionaries and staff maintain social distancing and use masks when necessary.

PROGRAMMATIC CHANGES

1. Games and activities that avoid physical interaction
2. Staggered use of shared space to reduce groups gathering together
3. Missionaries working with kids to maintain social distancing
4. Reduced group size
5. Regularly disinfecting of shared spaces and surfaces
6. Following diocesan recommendations for liturgical protocols when celebrating Mass or Reconciliation.
