### SCHOOL NEWS FROM THE PRINCIPAL

We will be starting school on August 13th, with an enrollment of 174. This is up from last year. We have a dedicated staff that is more than willing to implement the new protocols due to COVID-19. The start of school is always one in which people face a variety of feelings and emotions. As the principal, I can attest to the fact that since March we have missed the students. We have missed the in person instruction that allows us to see our student's growth and progress and to be at their side when they need more support. So we will start the school year with much joy and anticipation of seeing our students. Since we are a parish school, we have the school that we have because of the continued support of you, the parishioners. This gift is something that we cherish. As we begin this new school year our students will pray for all the parish and all our parishioners. We also ask that you pray for our school and students as we face many uncharted challenges this year.

Remember that we will be having a parent meeting on August 8th at 5:00. Masks will be required to attend this meeting and children must stay with their parents. If you are unable to attend the meeting, we are trying to live-stream it through the Home and School Facebook page. The Home and School will also be purchasing face coverings/buffs for all the students. They will have our logo on them and will be available before school starts.

### RETIREMENT FUND FOR RELIGIOUS COLLECTION

Give in thanksgiving. "The nuns left lasting impressions on me," writes a donor. "I shall always be grateful for my Catholic education." Please join in thanking the thousands of senior Catholic sisters, brothers, and religious order priests who worked tirelessly to educate the young and serve those in need. Next week's collection for the Retirement Fund for Religious, which helps hundreds of religious communities care for aging members. Please give generously.

### LIFE OF A SAINT- ST. HIPPOLYTUS

St. Hippolytus of Rome was the most important 3<sup>rd</sup> century Theologian in the Christian Church, in his time. He was a disciple of Irenaeus, who was a disciple of Polycarp. He was in conflict with the Popes of his time, and it appears he headed off a schismatic group as a rival bishop of Rome. For this reason, he is sometimes considered the first antipope. He opposed the Roman Bishops who softened the penitential system to accommodate the large number of new pagan converts. As a presbyter of the Church at Rome under Pope Zephyrinus, he was distinguished for his learning and eloquence. At this time, Origen of Alexandria heard him preach. He accused Pope Zephyrinus of modalism, the heresy which held that the names "Father and Son" are simply different names for the same subject. He was an ethical conservative and was scandalized when Pope Callixtus-I, extended absolution to Christians who had committed grave sins, such as adultery. At this time, he allowed himself to be elected as a rival Bishop of Rome, and continued to attach Pope Urban I and Pope Pontian. Under the persecution by Emperor Maximinus Thrax, both Hippolytus and Pope Pontian were exiled together in 235 to Sardinia, and it is there that he was reconciled to the Church before his death, because under Pope Fabian both their bodies were brought back to Rome. The two bodies were interred in Rome, and the document indicates that Hippolytus was considered a Catholic martyr and gives him the rank of a Priest, not a Bishop, indicating that before his death the schismatic group was received again into the bosom of the Church.
