Since we met our goal, 10% of the attained goal and 90% of any amount in excess of the goal, we received a check for \$2,200. FORMED.ORG RECOMMENDATIONS

This week’s recommendation for FORMED.org is a 7 part video series called *The Search*. *The Search* is a powerful new Catholic evangelization experience hosted by Chris Stefanick and featuring scientists, astronauts, artists, and fellow searchers who uncover the answers to life’s big questions on happiness, purpose, meaning, and faith. *The Search* video series has something for all of us, even those who are away from the Church but are still seeking, and those who have never considered faith before. The parish’s FORMED.org subscription is available to all parishioners through the website <https://stgeorge.formed.org/> or you can find a link to FORMED on our parish website.

LIFE OF A SAINT- ST. PHILIP BENIZI

Servite cardinal and preacher. Born in Florence, Italy, to a noble family, he was educated in Paris and Padua where he earned a doctorate in medicine and philosophy. He practiced medicine for some time, but in 1253 he joined the Servite Order in Florence. He served as a lay brother until 1259, when his superiors directed him to be ordained. Philip soon became known as one of the foremost preachers of his era, becoming master of novices at Siena in 1262 and then superior of several friaries and prior general of the Servites against his own wishes. In 1267. Reforming the order with zeal and patience, he was named as a possible candidate to become pope by the influential Cardinal Ottobuoni just before the election to choose a successor to Pope Clement IV. This possibility was so distressing to Philip that he fled and hid in a cave until the election was finally over. He attended the Council of Lyons which brought about a brief reunion with the Orthodox, worked to bring peace between the Guelphs and the Ghibellines in 1279, assisted St. Juliana in founding the third order of the Servites, and in 1284, dispatched the first Servite missionaries to the Far East. He retired to a small Servite house in Todi, where he died on August 22. He was canonized in 1671.
