SCHOOL NEWS FROM THE PRINCIPAL

The Home and School kicked off their yearly “FUN”raiser raffle. Tickets are \$20 and will be on sale from August 12 to October 9. There are ten chances to win prizes from \$100 to \$1,500. All profits from this raffle will benefit the students of St. George. If you are interested in a ticket, please contact a school family member or the school office at 897-3645 or email Mrs. Grellner at lgrellner@saint-george-parish.org.

St. George School is also selling Warrior wear. If you are interested in buying jackets or t-shirts then please call the school office or email Mrs. Grellner at lgrellner@saint-george-parish.org.

Employment Opportunity: St. George is looking to hire a Virtus trained person for the after school program. If you are interested, please contact Tammy Tyree at 573-619-5780.

Congratulations to Harlie Dunken, daughter of Sarah Mengwasser and Aleksander Rowinski, Paige Loethen, daughter of Neil and Heather Loethen, Kenzie Jurd, daughter of Chris and Jessica Jurd and Albert Haslag son of Clayton and Genna Haslag. These students are St. George School’s Warriors of the month. They went above and beyond our mission of being Christ-centered and Faith directed in all that they do.

This past week students participated in Adoration and Benediction of the Holy Eucharist. Exposition and benediction of the Blessed Sacrament is not only a very old devotion in our Church, but one that highlights the fundamental mystery of the Holy Eucharist that our Lord is truly present, body and blood, soul and divinity, in the Blessed Sacrament.

DECREE FROM BISHOP MCKNIGHT

On August 21, 2020, Bishop McKnight provided an updated Decree on pastoral activities during the COVID-19 pandemic. You can see the full decree on the diocesan website or the St. George Facebook page. The dispensation from the obligation to attend Mass on Sundays and holy days of obligation is extended until November 27, 2020 provided they prayerfully participate in the Sunday or Holy Day Mass livestreamed from their parish, the Cathedral, the Vatican, or any Mass of the day celebrated in communion with the Roman Catholic Church, or they prayerfully read and meditate on the readings of the Mass for the Sunday or holy day and recite the Rosary or Divine Mercy Chaplet.

Other changes from the previous decree include: **The use of face masks upon entering the church, during the celebration of Mass except when in place in the pew, during the Communion procession, and upon leaving the church is required.** If social distancing cannot be maintained in the pew, then the wearing of face masks is obligatory even in the pew. Those who persist in their desire to receive Holy Communion on the tongue may do so, but only after those who receive Holy Communion in the hand. Communion ministers must purify and then sanitize their fingers after distributing Holy Communion on the tongue to each household. All public health recommendations of state authorities should be followed whenever possible, especially with regard to singing in church, according to the judgment of the pastor, parochial administrator, president, or principal. The new decree is effective September 12 – November 27.

ST. GEORGE FALL FESTIVAL

We will be hosting a modified version of our Fall Festival this year on Sunday, October 4. We will include a drive-through dinner available 11am – 7pm of fried chicken and German pot roast. The meal will not include desserts or homemade bread so those donations from each family will not be needed. We will have a cash raffle, the quilt auction, and the beer garden/soda stand. There will be no kids games, Bingo, country store, or sandwich stand, but many of those workers will be needed in other areas. This event will require many hands to keep things running smoothly. We appreciate the support of all the parishioners to help make this event a success. If you have questions on the work list, you can contact the parish office.

FALL FESTIVAL AUCTION

Due to all the necessary changes to our Fall Festival, this year we will begin our auction online via the St. George Catholic Church Facebook page located at www.facebook.com/stgeorgeparishlinn. Bidding will begin during the last half of September, so if you have any items to donate for inclusion in the auction, they must be turned in the parish office by Friday, September 11. If you have any questions, you can contact the quilt auction chairs Laura Bittle or Edna Kliethermes.

HONOR PATH WAY

Remembering the Past and Honoring the Present engraved memorial bricks are available for purchase. Engraved bricks will be located at the corner of 12th and Adams Street at the VFW & Auxiliary Hall. 4”x8” bricks are \$100 and 8”x8” bricks are \$200. For details or to purchase a brick, please contact Valora at 573-897-2403.

LIFE OF A SAINT- ST. CLOUD

On the death of Clovis, King of the Franks, in the year 511 his kingdom was divided between his four sons, of whom the second was Clodomir. Thirteen years later he was killed fighting against his cousin, Gondomar, leaving three sons to share his dominions. The youngest of these sons of Clodomir was St. Clodoald, a name more familiar to English people under its French form of Cloud from the town of Saint-Cloud near Versailles. When Cloud was eight years old, his uncle Childebit plotted with his brother, to get rid of the boys and divide their kingdom. The eldest boy, Theodoald was stabbed to death. The second, Gunther fled in terror, but was caught and also killed. Cloud escaped and was taken for safety into Provence or elsewhere. Childebit and his brother Clotaire shared the fruits of their crime, and Cloud made no attempt to recover his kingdom when he came of age. He put himself under the discipline of St. Severinus, a recluse who lived near Paris, and he afterwards went to Nogent on the Seine and had his heritage where is now Saint-Cloud. St. Cloud was indefatigable in instructing the people of the neighboring country, and ended his days at Nogent about the year 560 when he was some thirty-six years old. St. Cloud's feast day is September 7th.

Spoofing

A popular tool used by many scammers is spoofing. Spoofing scams come in many different forms, but the most common ones are email spoofing, caller-id spoofing and website spoofing.

The goal? Provide a false sense of security by impersonating someone or something else to trick you into providing confidential information.

Many of the tools required for perfecting these scams are easy to obtain and master, making them the perfect entry-level campaign for a cybercriminal.

Email spoofing is common in phishing emails. Scammers will take a well-known email address and adjust a letter or two, hoping you miss it. Example: billing@nationalbrank.com.

Caller-ID spoofing is when scammers manipulate the phone number they are calling from. By using a verified legitimate business phone number or a similar number to your own, the likelihood of you picking up the call increases dramatically.

Website spoofing is a scammer's way of getting you to think you are at a trusted website. By mimicking the look and feel of a real website, you are more likely to provide login credentials or sensitive information.

Key Takeaways

There is no magic tool that we can implement to stop these scams from happening, BUT the best defense is to stay attentive on all levels.

- Avoid answering calls from unknown numbers unless you absolutely have to
- Double-check email addresses before responding, clicking on a link or opening an attachment
- Carefully inspect the website domain before you click on a link provided in an email
- If you think you've fallen victim to a spoofing scam, contact [the Federal Trade Commission at **ftc.gov/complaint**](https://www.ftc.gov/complaint)
