|  <p>Catholic STEWARDSHIP APPEAL</p> | <p><i>"Consider this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each must do as already determined, without sadness or compulsion, for God loves a cheerful giver."</i></p> <p>2 CORINTHIANS 9:6-7</p> |
| <p>We thank all who have given generously to the annual Catholic Stewardship Appeal. As we look at our lives and the many blessings God has given us, let us give a portion to the CSA as a way of saying thank you to the Lord. Through the CSA, we make known the Kingdom of God by helping each other to live our faith and share our Gospel belief. Our gifts to the CSA and ministries it supports are our grateful offerings to God.</p> | |

It is a good step to grow on our faith journey, ending with a consecration to Mary on the feast of the Immaculate Conception. Please pray about joining us on this retreat. To register contact the parish office or Alice Jacquin.

ST. WOLFGANG

Wolfgang was a Bishop and reformer. He was born in Swabia, Germany, studied at Reichenau under the Benedictines and at Wurzburg, before serving as a teacher in the cathedral school of Trier. He soon entered the Benedictines at Einsiedeln (964) and was appointed head of the monastery school, receiving ordination in 971. He then set out with a group of monks to preach among the Magyars of Hungary, but the following year (972) was named bishop of Regensburg by Emperor Otto II (r. 973-983). As bishop, he distinguished himself brilliantly for his reforming zeal and his skills as a statesman. He brought the clergy of the diocese into his reforms, restored monasteries, promoted education, preached enthusiastically, and was renowned for his charity and aid to the poor, receiving the title Eleemosynarius Major (Grand Almoner). He also served as tutor to Emperor Henry II (r. 1014-1024) while he was still king. Wolfgang died at Puppington near Linz, Austria in 994. He was canonized in 1052 by Pope St. Leo IX (r. 1049-1054). Feast day: October 31.
