### CATHOLIC STEWARDSHIP APPEAL

	<p><i>"Consider this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each must do as already determined, without sadness or compulsion, for God loves a cheerful giver."</i></p> <p>2 CORINTHIANS 9:6-7</p>
<p>For Catholic disciples, sacrificial giving is in our DNA. Other people's sacrifices, offered in love, have allowed the Good News to be preached and taught to us and those who went before us. We are people of gratitude and will only reach the fullness of our identity when we put our thanks into action. Your gift to God through the Catholic Stewardship Appeal helps ensure for the present and the future a vibrant Catholic community in which Gospel values are caught, taught and celebrated.</p>

### ST. LAWRENCE O'TOOLE

St. Lawrence, was born about the year 1125. When only ten years old, his father delivered him up as a hostage to the King of Leinster, who treated the child with great inhumanity, until his father obliged the tyrant to put him in the hands of the Bishop of Glendalough. The holy youth, by his fidelity in corresponding with the divine grace, grew to be a model of virtues. On the death of the bishop, who was also abbot of the monastery, St. Lawrence was chosen abbot in 1150, though he was only twenty-five years old, and governed his numerous community with virtue & prudence. In 1161 St. Lawrence was unanimously chosen to fill the new metropolitan See of Dublin. About the year 1171 he was obliged, for the affairs of his diocese, to go over to England to see the king, Henry II, who was then at Canterbury. The Saint was received by the Benedictine monks of Christ Church with the greatest honor and respect. On the following day, as the holy archbishop was going to the altar to officiate, a maniac struck him a violent blow on the head. All present concluded that he was mortally wounded; but the Saint awoke, asked for some water, blessed it, had his wound washed with it, and the blood was immediately stopped. The Archbishop then celebrated Mass. In 1175 Henry II of England became offended with Roderic, the monarch of Ireland, and St. Lawrence undertook another journey to England to negotiate a reconciliation. Henry was so moved by his piety, charity, and prudence that he granted him everything he asked, and left the negotiations to his discretion. St. Lawrence died on November 14, 1180, and was buried in the church of the abbey at Eu, on the confines of Normandy.
