Please save your Thriftway receipts. We are once again participating in the Thriftway Receipt program from Jan 1-April 30. Money earned through this community program helps us purchase items that aid in instruction that we may not be able to budget for otherwise. We also are still asking you to scan your receipt for Box Tops. Other recyclable items that help our school are Best Choice Labels & Coke Rewards. All of these small things make a huge difference to our school.

The school is also in need of Lego sets. If you have any that you would like to donate, please notify the school office.

ST. FURSEY

Saint Fursey was born in 567 on an island of Inisguia en Lough Carri, Ireland. He was a monk, visionary, one of the greatest early medieval Irish monastic missionaries to the Continent. First educated under Brendan the Navigator, Fursey later became a monk at the monastery of Clonfert, in County Galway, & was ordained priest. He later founded a monastery at Rathmat which became one of Ireland’s major monastic centres. The extent of his apostolate is evident in places named for him in Galway, Louth, & Cork. After 630 Fursey left Ireland with his brothers Foillan & Ultán for Britain, where they were welcomed by the Christian king Sigebert of East Anglia. They assisted Sigebert in Christianizing the kingdom & introducing monasticism. About 640 Fursey founded the monastery of Cnobresburgh, near modern Yarmouth, Norfolk, & another in 644 at Lagny, near Paris. When he died in 650, his body was transferred to Péronne, where his shrine became a great pilgrimage site. Fursey’s experienced visions throughout his life, & became widely known through accounts by the Venerable Bede in his *Ecclesiastical History of the English People* (8th century). The visions included demoniac assaults, conversations with angels, divinations, & glimpses of heaven & hell; the accounts of visions influenced medieval vision literature.
