Sadlier Religion has developed a summer program called Family and Faith. This was developed to help Catholic families have some ideas for faith development during the summer months. This is a free program, if you would like a copy please contact Lisa Grellner. The following is an excerpt from that program called *What Makes Us Catholic: The liturgy of the Hours always includes praying psalms. They are beautiful and ancient prayers from the Bible. When we say or sing the psalms, we are following Jesus' example of prayer. For the Liturgy of the Hours, the source of the psalms is from a book called the Psalter. The Psalter arranges the psalms in a special order according to the time of day and the liturgical season. The psalms help us to praise God through the many seasons of the Catholic Church.*

BLESSED ANGELINE OF MARSCIANO

Blessed Angeline founded the first community of Franciscan women other than Poor Clares to receive papal approval. Angeline was born to the Duke of Marsciano near Orvieto. Her mother died when she was 12 & three years later, she made a vow of perpetual chastity. That same year, however, she yielded to her father's decision that she marry the Duke of Civitella. Her husband agreed to respect her previous vow, & died two years later. Angeline joined the Secular Franciscans and with several other women dedicated herself to caring for the sick, the poor, widows & orphans. Many other young women were attracted to Angeline's community. Angeline & her companions later went to Foligno, where her community of Third Order sisters received papal approval in 1397. She soon established 15 similar communities of women in other Italian cities. Angeline died on July 14, 1435, and beatified in 1825.
