CONSOLING THE HEART OF JESUS

The Consoling the Heart of Jesus Retreat is a 10 week “Do-it-yourself” retreat that teaches us about our goal in this life & how to get there, inspired by the spiritual exercises of St. Ignatius. For the retreat, you read a few pages from the retreat book each day. We will have a weekly meeting with videos & group discussion, starting on February 12 at 3pm. Resources are available and the videos are on FORMED.org if you wish to do it on your own. If you have questions or to register, call the rectory at 573-897-2293 or Alice at 573-694-6103.

National Catholic Schools Week is the annual celebration of Catholic education in the US that ran Jan 29 – Feb 3 this year. The theme for the National Catholic Schools Week 2023 was “Catholic Schools: Faith. Excellence.” We began the week by celebrating Mass with Bishop McKnight & honored Jason Dudenhoeffer with the Distinguished Graduate Award. Through the week we had different activities to explore our faith. We celebrated our faith in our nation, community & within our parish. Thursday we were blessed that other Catholic schools from Osage County were able to join us. We began with a living Rosary. It was powerful to say the Rosary with 300 students and their teachers. Afterwards, Fr. Paul Clark gave a talk about vocations to all the students at each grade level. The week ended with Adoration, Benediction & students singing about their love of God. We are blessed beyond measure to be a part of this Catholic community.

LENT 2023 — A NEW SERIES ON THE MASS

In response to Pope Francis’ call for a “serious and dynamic liturgical formation” (ibid, 31), the Federation of Diocesan Liturgical Commissions is pleased to present a five-part Lenten series which will explore the Mass – “Eucharist: The Work of Our Redemption.” This is offered in harmony with the United States Bishops’ campaign for a National Eucharistic Revival. Some of the nation’s most respected theologians & liturgists will offer not merely an exploration of the elements of the Mass but will reflect on its rich theology & identify implications for pastoral practice. These free sessions will be offered each Thursday in Lent at 12 p.m., be 75 minutes in length, & include time for questions & answers. They will be recorded so all registered participants may watch it at a convenient time. Online registration is now open at: www.fdlc.org/eucharistseries2023

Stewardship 

God in the beginning created human beings and made them subject to their own free choice.

Sirach 15: 14

Stewardship is not meant to be simply checking boxes on a commitment card, it is meant to be a way of life that involves continuous conversion of heart.
