

Ms. Mitchem

It looks like it's time for me to come back to my Osage County roots. Raised in Chamois Missouri and a member of the Most Pure Heart of Mary Catholic Church I am excited to be joining the staff of Saint George. For 29 years I taught and was the principal at New Bloomfield Elementary. I found retirement a little boring so I took the principal position at St Andrew in Tipton this past year. With a grandbaby on the way this art position was exactly what I was looking for. I am excited to meet each and every one of you!
