As we continue with our stewardship renewal, we will be tying that in with the theme of Joy. Joy is one of the fruits of the Holy Spirit, not a special gift given to a select few; it is simply a by-product of living in God. We live with joy and gratitude for the blessings we have received, and we look for ways to share those blessings. No longer do we view time and material goods as "our own," but "ours to share." Through lives of prayer and service, we discern God’s call and respond with joy.
