

Welcome to First Grade!

My name is Mrs. Stumpe. I am excited to have you in my class this year! I was a first grade teacher for 32 years and have missed working with boys and girls your age. I have two daughters and 7 grandchildren. I love to read, garden, and spend time with family and friends.

We will learn many new things throughout the school year. I hope you are ready to be an amazing student here at St. George. All first graders will be learning to read, add and subtract, write great stories, and explore the world of science and social studies. It will be a wonderful year of growth and exploration.

Our Open House will be on Sunday, August 13, 2023 after the 10:00 a.m Mass. You can come to see your classroom, bring in your supplies (2 boxes of tissues, 2 reams of paper) and enjoy some lunch. I hope to see you there!
