

Mrs. Grellner

As we embark on another academic year at St George let us face this academic year with joy for all that has been given to us. This will be my ninth year as principal and my twenty-ninth year at St. George. I am filled with a deep sense of gratitude and excitement to welcome both familiar faces and new families to our school community. At the heart of our school lies a commitment to nurturing not just academic excellence but also the spiritual, moral, and emotional growth of our students. Together, we embark on a journey that encompasses the values and teachings of our Catholic faith, instilling in our young learners a sense of compassion, kindness, and joy. Throughout this academic year, we will continue to uphold the highest standards of education and maintain a safe and nurturing environment for our students. We will work closely with our dedicated faculty and staff to ensure each child receives personalized attention and support to reach their full potential. As we go forth let us always remember that we are Christ-centered and faith-directed in all that we do!
