

Mrs. Wolfe

Welcome to St. George's school office! This will be my fourth year working in the school office. I am excited to be able to spend another year with our amazing staff, families, and all of the incredibly talented and creative students we have here. Prior to working in the office, I enjoyed my time working with many of your children at Extended Care. There was never a dull moment working with As many of you might not know, I have a Bachelor's Degree in Social Work and most of my work experience and career has been spent in the Mental Health field, child protective services, and employment training and career counseling. I am a Columbia native; however, my husband was born and raised in Linn, MO. Both my husband and I are Mizzou graduates and met while he was attending school there.

Korey and I now have four children, Mason (20), Hope (17), Joshua (6), and William (1). Korey, Mason, and Hope are all St. George graduates, and Joshua is starting Kindergarten at St. George this year. I am certain it will be another exciting year at St. George and am happy to have the opportunity to work with you and your child(ren).
