

Welcome back to Jr. High,,,23-24!

Just a brief note of introduction to this year's Religion & Social Studies focus.

In Religion class-

Grade 6 will be into the Old Testament.

Grade 7 will take an in depth look at the life of Jesus and the New Testament.

Later in the year this class will be preparing for the sacrament of Confirmation.

Grade 8 will spend a good deal of time on Church history- from the beginnings of the Church to the present.

In Social Studies class-

Grade 6 will be into world geography with added emphasis on world history.

Grade 7- will examine U.S. history- from its colonial beginnings up through the Civil War.

Grade 8- will continue with U.S. history from the post Civil War period into the present.

In all classes we will strive to be Christ centered & faith directed in all that we are.

I want to encourage good student effort & organization skills in all their work.

I am looking forward to a great school year with our awesome St. George students, parents, teachers & staff!

God Bless!
