**SCHOOL NEWS FROM THE PRINCIPAL**

This month students at St. George is studying the virtue of humility. The humble soul first seeks to eradicate all selfishness from its own life. From there, it makes a conscious choice to put others first. However, this is not enough. True humility allows the choice to put others first to eventually take over every desire and passion of one’s soul. It is ultimately in the transformation of one’s desires that the true perfection of humility is obtained. This is only possible by a grace from God, purifying the soul in the deepest way. Humility is a key path to joy because it frees us to be real and truly connected to others.

St. George Home & School is selling raffle tickets. Each ticket is \$20 with 10 chances to win. The first drawing will be \$1000, then the next eight drawings will be for \$100, and the final drawing will be for \$1500. We appreciate any support you can give.
