

Classroom Wants

Several people have come forward that would like to purchase items for a specific classroom. Once you submit this form it will be posted on our website. The office will continue to update it as we go through the year.

Name

Mr. M.
.....

Please list items that you would like to use in your classroom. Please be as specific as possible . For example: if you like a certain brand or style of dry erase markers, pen, etc, be sure to add that information.

Thank you for your support & kindness! As of September, I cannot think of any purchasing needs. But that could definitely change in the future.
.....

This form was created inside of Saint George Parish and School.
