## Weekly Objectives

Science - Fossils & Changing Environments - Habitats, Fossils, & Environments over time.

Math - Continued work with Multiplication & Division Facts Families. We are trying to zone in on the fact fluency in solving problem. They are doing a great job but feel free to do some multiplication practice at home too.

ELA - Informational Writing, Contractions, Author's Purpose, and Identifying key details.

Social Studies- MO Studies Weekly - Civics & Government - Citizens

\* Spelling test on friday\*
