Congratulations to the following students who will receive their First Communion this weekend: Jasper Alderson, Oliver Augustine, Oliver Bickell, Ezden Blauvelt, Nora Bradford, Max Brandt, Anslee Dudenhoeffer, Harlie Duncan, Jackson Jurd, Elyse Koenigsfeld, Aaron Lutes, Korah Lutes, Olivia Lutes, Arthur Massman, Jude Miller, Mason Monroe, Jentry Mosley, Aubrie Peters, Maebrie Peters, Cooper Rikard, Violet Sullentrup, Carter Terry, and Estellise Womack. As Catholics, we believe in the doctrine of Transubstantiation, which teaches that during the consecration at Mass, the bread and wine truly become the body and blood of Jesus Christ. By receiving the Eucharist, we believe we enter into a profound communion with Christ and with the entire Body of Christ, which is the Church. This fosters unity among believers and strengthens their bond with God and one another.

## **2024-25 School Registration**

is now online. You can find all enrollment links at <https://stgeorgelinn.diojefcity.org/school/registration/>.

Please note that you can't enroll your child for next year until all of this year's fees have been paid in full and you have met with Father and discussed your stewardship. PK 3 and PK4 spots are filling up. We have only 2 spots left for both programs.

I am pleased to announce that Miss Karlee Cox will be taking over the After Care program next school year. You will also be seeing her in the Summer Care program as well.

## Summer Care

- *Date of service: May 20, 2024- August 2, 2024*
- *During summer school 5/20-6/21, summer care will be available all day on Monday (7:00 a.m. to 5:30 p.m.) and after school on Tuesdays thru Fridays.*
- *We ask that children bring their lunch each day and an afternoon snack. Please have your child's name on his/her lunch bag. We can store the bags in the refrigerator if necessary, as well as warming up items in the microwave when needed.*
- *Breakfast will not be served this year.*
- *Bus afternoon drop-off will be 3:05 p.m.-3:10 p.m*
- *We will be going to the pool during summer school on Tuesdays and Thursdays. Please pick up your child at the pool on those days. Your child is welcome to bring a snack from home or money for the concession stand. Please send a towel with your child as well as sunscreen with his/her name on it. The sunscreen will be stored at school until summer care is over.*

*Mondays- \$24*

*Tuesday-Friday \$8 each day (during summer school)*

*Full Days after Summer School ends- \$24 per day*

*Fr. Franklin's Stewardship meeting will be held in the library at Church. If you have not signed-up yet, here is the link:*

Using Simple Solutions have seen amazing growth in students throughout the school year. Simple Solutions also offers "Summer Solutions" books. I highly recommend, if possible, that you purchase the Math Summer Solutions and Reading Summer Solutions books to keep your child reviewing and practicing over the summer. Students completed Summer Solutions books and this quick review three times a week helped them stay on track throughout the summer months. Without review and practice over the summer break, children forget much of what they learned in school. This phenomenon is sometimes called the "summer slide". We will place an order through the school on Friday, April 12. If you place your order by Thursday, April 11, your books will be \$15.00/ book instead of \$16.99/book, and there is no charge for shipping. If you are interested in purchasing Summer Solutions, or if you have any questions, please send me an email and we can discuss what I feel would benefit your child the most. A quote from the Simple Solutions website:

**End the summer slide with Summer Solutions.**

Summer Solutions provides the necessary review and practice that allows students to retain important math and language arts skills, not only over the summer break, but also for a lifetime. Each Summer Solutions practice book contains 30 lessons, along with Help Pages and an answer key for self-checking. It is recommended that the students complete a lesson three times per week over the summer break, engaging in a strategy our books are designed around, called distributed practice. Distributed practice systematically re-visits material that has already been mastered. This is the only type of practice that ensures long-term retention. By spacing the lessons over a ten-week period, students are able to return to school in the fall, ready to begin learning new material right away. **Order forms are coming home today.**
