As we came together on Tuesday to celebrate the feast of St. George within our school community, we found joy in the shared journey of facing our own dragons in life. Amidst the festive atmosphere and the echoes of tradition, there's a deeper resonance that touches each of us individually. We acknowledge that just as St. George bravely confronted his mythical dragon, we too confront our own inner struggles and challenges. Through this celebration, we find solace in the unity of our experiences, knowing that we are not alone in our battles. Surrounded by supportive peers and mentors, we draw strength from the collective spirit of resilience and determination. In sharing our stories and embracing vulnerability, we discover the transformative power of community, finding courage to confront our dragons with hope and perseverance.

Thanks to all who came out to the Home and School Meeting. We would like to thank Lindsey Jaegers and Jessica Klebba for serving on the board. We wish to welcome Lisa Terry. Lisa will take over the role as treasurer. We are still needing someone to take on the role of secretary.

Summer Care forms went home. Please send those back as soon as possible. This will help with staffing needs.

The 2023-24 St. George Yearbooks are currently on sale now. Remember that we only take pre-orders. If you have lost your order form, please let the school office know.

The Lost and Found has numerous items and more is added to it weekly. Please stop by school and check out the Lost and Found table. Once school is over all items will be donated to local charities.
