As we close this school year, I would like to take this opportunity to thank those faculty and staff who will be leaving our St. George family: Mrs. Reinkemeyer, Ms. Meier, Mrs. Rhemert and Mike Grellner.

It is with a mix of emotions that we bid farewell to Mrs. Reinkemeyer, a cherished member of our faculty who has exemplified unwavering dedication to both our students and the mission of our school. Mrs. Reinkemeyer has been a beacon of inspiration, embodying the values of faith, family, and academic excellence throughout her 13 years here. Her commitment to nurturing young minds and fostering a community of learners has left a mark on us all. While we will miss her presence dearly, we wholeheartedly support her decision to embark on new adventures in education, seeking a change of pace and fresh avenues to explore. We extend our deepest gratitude for her profound impact and wish her nothing but success and fulfillment in this exciting new chapter of her professional journey. Thank you, Mrs. Reinkemeyer, for everything you have done for us!

Although Ms. Meier has not been with us for long, her impact on our music program has been truly remarkable. In her time here, Ms. Meier brought fresh ideas, enthusiasm, and a deep passion for music that revitalized our program and inspired our students. As she embarks on this new chapter of retirement, we are grateful for her contributions and the positive influence she has had on our school community. We wish Ms. Meier all the best in her well-deserved retirement and hope she enjoys this next stage of life to the fullest. Thank you, Ms. Meier, for everything you have done for us!

Mrs. Rehmer has also decided to take a position that will help troubled youth in our area. Her dedication to fostering mental health and well-being has left a mark on our school community. While we will miss her insightful counseling and compassionate presence, we are excited for Mrs. Rehmer as she embarks on this new journey. Thank you, Mrs. Rehmer, for everything you have done for us!

Mike has been the unseen hero behind the scenes, ensuring our facilities are clean, safe, and welcoming every day. His hard work, attention to detail, and friendly demeanor have made a lasting impact on our school community. We will miss his cheerful greetings and the pride he took in keeping our school, and most recently the cafeteria running smoothly. Thank you, Mike, for everything you have done for us!

As we come to the end of another school year, I want to take a moment to express my deep gratitude to all of you for your unwavering support and trust in our school community. Together, we have accomplished so much, and it has been a year filled with spiritual and academic growth.

One of the greatest blessings we have experienced is the opportunity to pray and learn together as a school family. It is truly remarkable to witness the unique gifts and talents of each student. God has truly blessed us with amazing young individuals, and it has been a privilege to nurture and guide them.

As we reflect on the past year, let us continue to be thankful for all the ways in which God has enriched our lives through our students and our community. I look forward to the new adventures and successes that await us in the coming school year.

May God's grace and blessings be with you and your families throughout the summer.

Mrs. Grellner

The school office won't have set hours during the summer months, but if you have any questions or concerns, please feel free to contact us either through email or leave a message. I will be checking voicemail and email frequently.

★HAPPY★ BIRTHDAY!

Some school supplies will be sent home Thursday May 16th. The money sent in during the previous school year purchases items such as, but not limited to the following: numerous pens, pencils, markers-skinny and wide tipped, crayons, twistables, note cards, colored paper, erasers, dry erase markers, numerous folders per student, composition journals-numerous per student depending on teacher preference, sharpies, glue bottles, glue sticks, pencil bags, and plastic containers. School supplies are replaced if needed during the school year. All money sent in this year for school supplies are bought according to teachers wants and needs and are distributed to individual teachers. If you wish to donate back any school supplies please send a note to your child's teacher and they will give all supplies to Summer Care. Monica Wolfe does a fantastic job of organizing and ordering this for our teachers and students. All staff work together to ensure your child has all they need for classroom success.

May 16-Students wear the shirt that was provided by Home and School and athletic shorts.
