St. George students participated in the Crowning of Mary on Friday. One of the defining aspects of being Catholic is an devotion to Mary. This feast recognizes Mary as queen of heaven and earth. May Crowning is indeed a beautiful celebration within the Catholic faith, particularly cherished for its symbolism and the profound devotion it evokes towards Mary. The imagery of May Crowning, with children adorning statues of Mary with flowers, is a powerful visual representation of honoring her as queen. It's a tradition that not only fosters a sense of devotion but also teaches important lessons about reverence, humility, and the beauty of serving others. May Crowning, with its blend of simplicity and profundity, remains a cherished occasion for Catholics of all ages, reminding us of Mary's central role in the Christian faith and her enduring significance as a model of faith and discipleship.

What a fun day for the Sixth Grade Vocation Day in Columbia! From Mass with the Bishop to insights on married, priestly, and religious life, these students spent the day exploring vocation paths for their futures. It was amazing to see that 600 sixth graders were all together to enjoy a day filled with thoughtful questions and meaningful sessions.

8th Grade Mass with Bishop McKnight was truly a remarkable event. It was amazing to see all the 8th graders in the diocese celebrating a Mass with 37 priests in the diocese.

We are truly blessed to be a part of this Mass.
