**Building updates:**

- The blocks at the back of the school are in need of sealing and some repair work.
- Mold has been discovered in the PK-4 room and in the second grade room. We have to take down the drywall and then spray to kill the mold. Then we have to re drywall and paint
- Mark Foster has taken the lead on both projects, but we are in need of people willing to help with these projects. If you are willing to help, please let either Mark Foster or Mrs. Grellner know.
- With the different projects going on, some of the classrooms may not be used until everything is completed. We have a back-up plan in place in the event that construction is not done at the start of school. It could be that these two classes will be relocated until the project is completed.

**Open House will be on August 11.**  
We will be hosting a parent meeting at 9:15 am. This is prior to the starting of Mass. Once Mass is over, we will have classrooms open and the Knights of Columbus will be hosting a BBQ.
