During the month of September we are watching for the virtue of humility. Humility is closely tied to charity and service. It involves recognizing that every gift and talent we have comes from God. We are not meant to boast or compare, but to use our gifts to serve others and glorify God. The Catechism of the Catholic Church says, "Humility is the foundation of prayer" (CCC 2559). Gratitude for God's gifts: Humility helps us recognize that everything we have is a gift from God. This leads us to be thankful instead of boastful. Gratitude keeps our focus on God instead of ourselves.
