To Parishioners of St. George Parish

On September 25th, candidates in grade 8 from St. George Parish will be confirmed. We invite you to pray for candidates as they prepare to receive the sacrament. The prayers of parishioners—especially the prayers of St. George School families—will encourage and strengthen our candidates. A suggested prayer is printed on the back, but you and your family can choose any prayer you wish. We also ask you to encourage family members and friends to pray for our candidates.

As we reflect on our own confirmation, let us remember the profound impact that attending Mass has had on our lives. It is a place where we connect with God, strengthen our faith, and find community. By encouraging our children to attend Mass regularly, we are providing them with a spiritual foundation that will guide them throughout their lives. Let us instill in them a love for the Eucharist and the beauty of our Catholic traditions, so that they may grow in their faith and become devoted followers of Christ.

Keep selling your Fun Raffle tickets. Every ticket counts. It is a great way to help contribute to the school.

If you are sending medicine to school, it needs to be in the original container with the dosage clearly marked. Please also send in the appropriate forms.

St. George School participated in the health screening provided by the Osage County Health Department. We are blessed to have such an active health department in our county. Your child should be bringing home the results of those screenings today.

We are excited to announce that we are moving forward with the renovation of the prayer garden in front of school. We believe that by revitalizing this space, we can create an even more welcoming and inspiring environment for all. If you would like to contribute to this important project, please call the school office or just drop off your donation. Your generous donation will help us create a welcoming and inviting prayer garden that we can all be proud of for years to come.

As this project continues we are blessed to see businesses respond so generously to this cause. The first business that deserves a huge shout out is AquaTiles. They are donating tiles for the mosaic cross project, which will be displayed in the prayer garden. This company is nationwide based out of Texas. You find more information about this company at the following link: <http://www.aquatiles.co/>. It is amazing that so many companies are answering the call.

All questions/concerns related to school invoices, should be addressed to stgparishoffice613@gmail.com

We had the honor of witnessing a special knighthood ceremony at St. George School, celebrating a commitment to the highest ideals. Charlie and Kimber were selected as the St. George Knight and the St. Joan of Arc warrior. They have pledged to fight against bullying, honor our faith, and be role models of mercy and gratitude. Congratulations to both!
