A Note From the PE Teacher-

In the next couple of weeks, students in grades 4-8 will be focusing on Archery skills in PE class. Students are taught the Eleven Steps to Archery Success following the NASP program. Students that have a Genesis bow at home are encouraged to bring it to school for their own personal use. This would be super helpful because we have a limited number of bows at school, and this would allow for more active participation, rather than having to take turns. Personal bows will not be shared and will be locked up when not in use. If your child is bringing a bow to school, please send it on Tuesday, November 12th, and I will have students bring them home when our Archery unit concludes. We will be finished by Thanksgiving break. Thank you for your help and support! ~ Mrs. Heather Loethen

Dear St. George Families,

The holiday season is here and at St. George Catholic School we proudly adopt a family to take some of the burden off a family during the holidays.

A google sheet can be accessed below where you will be able to add your name to the gift you would like to purchase. If the form does not allow you to add your name, please email Julie Mitchem and she can update the list for you.

jmitchem@saint-george-parish.org

Please have all items to school by December 6. Mark the item with the child's age, sex, and family donating the item. Items are not to be wrapped as the family will get to wrap the items themselves.

Example: Girl, 6, Mitchem family

Thanks in advance for your support of this project. The link to purchase items is found below:
