Help Kids Beat Cancer: St. Jude's Math-a-Thon!

It's time to put your math skills to work for a miracle! We are officially kicking off our St. Jude's Math-a-Thon, and we need every SGS student to get involved. By completing your math problems and gathering sponsorships, you are raising life-saving funds for children at St. Jude Children's Research Hospital.

Please be as generous as you can—every dollar helps ensure that families never receive a bill for treatment, travel, housing, or food. All donations and sponsorship forms must be returned to the school office by **March 6th**. Let's show our "Warrior" spirit by helping other kids get back to being kids!

Kindergarten Screening Day

Date: March 2nd

Time: 8:00 AM – 12:00 PM

We are excited to meet our future students! Please see the guidelines below to determine if you need to schedule a time:

- **Current Pre-K Students:** If your child is already enrolled in our PK program, **no appointment is necessary.**
- **New Families:** If you are new to our school, please **call the main office** to schedule your screening appointment or if your child is currently not attending our PK program.

Important: "Teach Touching Safety" Program

Your child brought home information regarding our required *Teach Touching Safety* curriculum. Please pay close attention to the form:

- This is an OPT-OUT Form.
- **ONLY** sign and return this paper if you **DO NOT** want your child to participate in the lesson.
- If you want your child to attend the safety class, no action is needed—simply keep the form for your records.

We are committed to providing our students with the tools they need to stay safe, and we appreciate your partnership in this mandated program.

Calendar Update: New Last Day of School!

Please take note of an important change to our school calendar: our final day of classes is moving to **Thursday, May 14th**. We're planning to go out with a bang, as this will also serve as our official **Awards Day and Sports Day!** It's going to be a fantastic day of celebrating our students' achievements and enjoying some healthy competition. School will follow a full-day schedule with dismissal at **3:10 PM**. We look forward to seeing everyone there to wrap up the year on a high note!

Planning Ahead: 2026–2027 Calendar Update

We are currently busy finalizing the calendar for the upcoming school year! While we put the finishing touches on the full schedule, we wanted to share a few key dates so you can start your planning.

Because we are kicking things off **one week later** than usual this year, our schedule has shifted slightly:

- **August 16:** Open House
- **August 18:** First Day of School
- **May 20:** Last Day of School

Welcome to the Family: New Parent Informational Meeting

Are you new to our school community? We are so glad you're here! To help you and your family prepare for the 2026-27 school year, we are hosting an informational meeting on March 2nd at 5:30 PM in the school lobby.

We will cover everything you need to know to transition smoothly into our school from daily routines to important upcoming dates. We look forward to meeting you and helping you get settled!

Special thanks to the Knights of Columbus for helping with the pancake breakfast. Our Mardi Gras celebration was a great success, and we loved seeing the community come together! We also want to extend a heartfelt thank you to all the parent volunteers who helped make this celebration a success, especially Tassi Womack, who did a fantastic job organizing the event!

**Mardi Gras King and Queen:
Will and Ava**

Remember, every **Best Choice label is worth \$0.05** for our school, so please keep sending them in! Also, continue to scan your receipts for Box Tops. If you'd rather not scan, simply send your grocery receipts to the school, and we'll take care of the scanning! Please keep in mind that box tops expire within one week of purchase, so send in receipts immediately following purchases.

Support Our School While You Shop!

Did you know you can lower your tuition costs just by doing your everyday shopping? When you participate in our **Scrip Program**, a portion of every gift card you purchase goes directly toward your family's account.

How it works:

- **Lower Your Fees:** Use the rebates you earn to significantly reduce your **registration fees** for the upcoming year.
- **Support Our Classrooms:** The school's portion of the proceeds goes directly toward essential resources—like keeping our **school copiers** running and stocked for teachers and students.

It's an easy way to make your regular grocery, gas, and dining budget work harder for you and our school community.

Double Your Impact: Thriftway Receipts & Box Tops!

Starting **January 1 through April 30**, we are collecting Thriftway receipts to earn points for school materials that aren't covered by our regular budget. Please send them in as you receive them, instead of keeping until the end, to make it easier on our parent volunteers. Additionally, did you know you can help us twice with the same receipt? Before you send your Thriftway receipts, please **scan them using the Box Tops for Education app!** By scanning and then donating the physical receipt, we can utilize both programs at the same time to provide even more resources for our students. Thank you for your amazing support!

Is Your Favorite Hoodie Missing?

Our **Lost and Found** mountain is growing! We have accumulated a large collection of sweatshirts, hoodies, and winter coats that are missing their owners. If you've noticed a gap in your closet or your child has been coming home a layer short, please stop by the lobby hallway to take a look.

We would love to see these items reunited with their families before the pile gets any higher!

TO BE AN ACTIVE STEWARD MEANS TO: PRAY: That is, attend Mass faithfully in the parish on weekends and Holy Days

PARTICIPATE: That is, use one's time and talents to strengthen the Parish community.

SACRIFICIALLY GIVE: That is, pledge and remain current on a tithe of financial first fruits to support the ministries of the Parish. The goal is 8% to the Parish and 2% to other worthy charities.

2026 Lenten Regulations and Admonitions

As another Lenten journey of conversion begins on Ash Wednesday, February 18, 2026 and ends with the Mass of the Lord's Supper on Holy Thursday, April 3, 2026, the Catholic Church calls all Catholics to a deeper spirit of penance, fasting, almsgiving and prayer "which express conversion in relation to oneself, to God, and to others" (Catechism of the Catholic Church, nos. 1434 and 1969).

To foster a greater spirit of penance, reparation for sin, to encourage self-denial, which guide us more closely in the footsteps of Christ, the Church reminds us of the following obligations of fast and abstinence during Lent, and also admonishes us all to deeper prayer and worship.

Small Change, Big Impact: Rice Bowls

Our **Rice Bowls** went home last week, and we invite you to join us in turning spare change into life-changing hope. By placing your bowl in a prominent spot and filling it with coins or bills over the coming weeks, you provide essential nutrition and holistic care to orphaned children in need. Please be as generous as you can with this project—while the bowls are small, your contributions make a massive difference. Kindly return your filled bowls by the week of April 6-10. Thank you for your incredible heart and support!

Warrior Wear is Back by Popular Demand!

We've heard you, and the link is officially live again! Whether you're looking for fresh gear or just need the essentials, we've got you covered.

As a reminder, for your planning, the royal blue crewneck is the approved sweatshirt for the 2026-27 school year. The link will be open until March 6th.

Introducing the debut book from City's Best Therapist, Tricia Orsheln
Founder of Tree of Hope Counseling and Wellness Center and Tree of Hope Creative, Ink

Blending her professional expertise with personal storytelling, Tricia's first children's book "Alohalani... Welcomes Change" follows a little girl, inspired by her own journey, as she moves from Missouri to the island of Kauai and learns to navigate her emotions along the way. Filled with the same tools Tricia uses in her counseling practice, this 32-page story helps children explore their feelings, build confidence, and discover that home and hope can be found wherever life takes them. With beautiful illustrations inspired by her memories of the island, this children's book is a celebration of growth, healing, and hope — and a perfect gift for kiddos ages 3-9, parents, educators, and practitioners.
